FEES

1. **ANNUAL MEMBERSHIP FEE: \$25**

Since this is a coop, we all share the costs of running the coop: coolers, insulated bags, refrigerator & freezer maintenance, property damage caused by the farms and/or members, paper, printer/ink, website fee (Harvest Byte Technologies).

2. **FOR MEAT ORDERS: ONE-TIME FEE of \$5 for Insulated zipper bags**

Insulated zipper bags are used to sort meat orders. Cost is \$4/bag and may be purchased on the website. Insulated bag(s) must stay at my home for the following coop, so bring your own bag/cooler for transporting your order home.

3. **FOR MILK ORDERS: ONE-TIME FEE of \$5 PER gallon of milk ordered for coolers**

With this one-time fee, I buy large coolers that hold 18 gallons each. All dairy members contribute to the cooler costs in this manner. So, if you order 4 gallons of milk, you will pay \$20.
